

SCHOLAR BASE

SCHOLASTIC APPROACH TO LEARNING

AN INVITATION TO CHESS CAMP

Chess Will Make You Smarter

Improves math scores

Improves reading levels

Lengthens concentration

Develops critical thinking skills

Improves student self-confidence

Scholar Base is indeed privileged to have International Master (IM) Mr. Mok Tze Meng and his team of trainers to conduct chess programs during March school holidays.

IM Mr. Mok is second ranking chess player in Malaysia with international rating of 2414*. He has been coaching students in more than ten schools in Kuala Lumpur including Cempaka Schools and Garden International School. He is also the Vice-President of Chess Association of Selangor and committee member of Malaysian Chess Federation. He holds a string of titles in his hands including:

F.I.D.E. (World Chess Federation) International Master (IM) since 2009
F.I.D.E Master (FM) since 2000
National Master (NM) since 1990

His mission is to spread awareness of the intellectual and cognitive benefits of chess to children. He aspires to integrate chess as part of mainstream education so that every child has the opportunity to learn this mind developing game.

His students have competed in various competition at national level (MSSM) and international level (World Junior, Asian Junior, Asean Junior Championship). Some of his distinguished students include Edward Lee (National Champion 2008), Lim Zhou Ren (Best National Junior 2008) and Tan Wei Hao (Best Under 12).

The purpose of these intensive holiday chess programs is to jump-start children into the world of chess. Hopefully this will provide a launching pad for kids to develop and progress in chess playing.

Three progressive chess modules will be conducted continuously during March holiday week. Initial assessment will be conducted Monday morning prior to commencement of the program.

Please decide promptly as limited places are available.

March 2010 Intensive Holiday Chess Camp Schedule
